Section 4

Please read and initial

Prevents retirees from receiving both SBCERA benefits and employment compensation from the same system.

Government Code section 7522.56 provides specific employment restrictions for retirees who return to work with an employer in the same public retirement system from which they receive a benefit. These restrictions are intended to prevent the “double-dipping” of a retiree receiving a monthly SBCERA retirement benefit while also receiving compensation for employment with an SBCERA-covered employer.

All SBCERA retirees returning to work in any capacity must be authorized by SBCERA using the Returning Retiree Certification form.

If you are an SBCERA member and you begin to collect retirement benefits at any point during your employment with San Bernardino County, you must stop work immediately. If you wish to continue your employment with the County while receiving SBCERA retirement benefits, you must complete a Returning Retiree Certification form and receive SBCERA approval before returning to work.
