

U.S. Bank Focus Card text & email alerts

FEATURE OVERVIEW

Monitor your Focus Card account anytime, anywhere.

Enroll in text¹ and email alerts and receive notifications when money is added or when your card balance gets low. To learn more, log into your account at usbankfocus.com.

Enroll in **two-way text alerts** and text a short code to receive account updates. After you sign up, text the following codes to **90831**:

BAL – Balance alert

DD – Direct deposit routing & account numbers

TRANS – Recent transactions

HELP – Customer service number

SAVE – Savings balance

Sign up to receive **email alerts** about your card account along with the features and benefits of your card. The most common transactional alerts are:

Purchase alert

When you make a point-of-sale (POS) transaction, includes your new available balance.

Load alert

When funds are loaded to the card, includes your new available balance.

Low balance alert

When your available balance on the card falls below a set minimum.

To enroll in text and email alerts, login to usbankfocus.com or scan the QR code to download the U.S. Bank Mobile App.

¹For text messages, standard messaging charges apply through your mobile carrier and message frequency depends on account settings.
