

U.S. Bank Focus Card Savings

FEATURE OVERVIEW

Smart money management starts with the Focus Card.

The Savings feature available with your Visa® or Mastercard® Focus Card is no cost to use and easy to set up. It's a great way to effectively manage your finances and set aside funds for things like vacations, holidays and unexpected expenses.

No monthly fees

A deposit of at least \$10 is required to use the savings feature, but there are no fees to keep it open.

Convenience

Set up automatic transfers to occur monthly or with each load.

Interest bearing

Funds set aside in savings will earn interest.

Financial control

Track account activity and real-time transfer of funds online or with the mobile app.

Safe and secure

Funds are FDIC insured.

Please note: Savings funds can only be accessed through the Focus Card – you will not be able to access your savings at ATMs or point-of-sale terminals.

To use the Savings feature or to learn more, login to your account at usbankfocus.com.
